Revised Web Site Launched by JCG Productions, Inc. JosephCriscuoli.com Features the Paintings of Joseph Criscuoli

Laurel, MD – Over twenty years after paintings by then-emerging artist Joseph Criscuoli first appeared on the internet, an exciting re-design, expanded e-commerce and several unique features have been combined in the re-launch of www.JosephCriscuoli.com.

An attractive and expanded “Portfolio” of original paintings is accompanied by a short statement from the artist about each work. The new site also offers a way for visitors to safely and securely purchase items from the expanded catalog of new paintings in the form of Prints and Note Cards now available to the public. And unique “progression of the painting” videos are also presented on several pages.

The site provides a biographical sketch of the artist, “News” and “Events” pages, a listing of exhibitions and an eloquent dedication of the website to Criscuoli’s first painting instructor, Henry Ernst Niese. The new site enables visitors to learn about a heraldic endeavor, Art for Armor, and also to commission original works of art.

The site was expertly re-designed and re-branded by Rex Media, the team behind the original site which was launched on April 20, 2004.
